Greetings Dancers,

Our annual picnic was a great success with lots of delicious food and friendship. We had 82 members and guests in attendance. At the tail end, a rainstorm hindered our cleanup but not the dancing! Angela kept the dance floor full of dancers all afternoon. Thank you to everyone who helped set-up, organize food, cook and tear-down/clean-up.

The next GLSDC Board meeting will be held on September 12th @ 6pm - Ernie Callard's home. The main topic of discussion will be DJ music. We know this is an important issue for many of our members. You are encouraged to attend and share your ideas with us. All members in good standing are always welcome to attend.

I would like to thank everyone for nominating me to be inducted into the American Bop Association (ABA) Hall of Fame. My initiation will take place on September 3rd in St. Louis at the *Rollin' on the River* dance event. I promise to do my best to help our club grow into the future for many years.

The election of officers for the 2023/2024 term is coming up in November. All positions are available to any current member. If you're interested, please submit your name and desired position to glscwebmaster@glsc.org by October 31, 2022.

Don't forget!!! There will be NO DANCE on September 7th at RollHaven. They are resurfacing the wood floor.

Our September lesson is Waltz taught by Angela Markle. DJ line-up: Ed, Angela and Dave.

Have a safe & happy Labor Day,

Jim

P.S. College Night is September 14th. Go Team!

DANCE ETIQUETTE – Personal Hygiene

- ✦ Body odor (#1 worst offender!). This sounds rank... and it is. Suggested remedies: Shower if possible beforehand. Wear a CLEAN shirt. If you sweat heavily, bring an extra shirt or wear a cotton T-shirt (V-neck) under your shirt.
- ✦ Halitosis (bad breath). Brush teeth/tongue; floss; use mouth wash; gum helps – but don't look like you're enjoying it too much. Breath mints are good but only last for about 1/2 hour. Try not to eat garlic, onions and spicy foods before dancing.
- ✦ No toothpicks, cigarettes, food, or drinks on the dance floor for obvious reasons.
- ✦ Rough and scaly hands. Remedies: Use hand creams specially formulated for rough, dry hands. Wear gloves to protect hands while working. Note: Keep hands away from eyes/nose (bring tissue) and wash hands frequently, especially during cold/flu season.
